

Management System Checklist

Associate Transfer/Exit Checklist

Steps involved before transfer and exit

1. Associate informs direct manager or HRBP about his/her exit.
2. After acceptance from the Manager with approved last working day, BGSV/HRL-OPS-ITR will send the Exit checklist form to the associate.
3. Associate can complete the below mentioned activities in the recommended flow as following:
Accounting -> Logistics -> IT Partner -> Department (Direct Manager/ Department's Secretary) -> GR/FCM-Hc1 -> Local BD -> Local HR.
4. Associate submits the **signed off** exit checklist to BGSV/HRL-OPS-ITR on the last working day.

Note: An associate who resigns during or right after their special leave period and has already completed the special leave clearance process must obtain signatures from all relevant stakeholders again, except for Accounting and Logistics.

Background			
Extension to current clearance and internal transfer (between BGSV HCM and BGSV HN or between BGSV and other Bosch entities) procedure to ensure deletion / locking of associate's user accounts provided by the department.			
Also to address the ISO 27001 control number 8.3.2–Return of Assets, 8.3.3-Removal of access rights.
